INTERIOR DESIGN SERVICES

Owner: **Lisa Faro**

Services

- We access trade showrooms across the country to find the exact window treatments you are looking for.
- We'll help you select furniture that suits your personality, from private label furnishings to one-of-a-kind pieces.
- Color consulting helps you select the right colors for a room, colors that work together within the space to create a feeling of warmth.
- Our access to the top lighting lines allows you to choose from a wide variety of lighting options.
- We work with artisans and craftsmen across the country to find the perfect pieces for your specific decorative needs.
- With cabinetry, tile and counter design, if you can dream it, we can find someone to build it to your specifications.
- Access the best fabrics, trims and hardware to find the perfect fabrics and floor coverings for your space.
- With our state-of-the-art software, your vision comes alive before you even begin your project.

Contact us to discuss your interior design needs.
